Q: What were the strengths of this course and/or this instructor?

- 1 Thanks for considering teaching this course before I graduate. Both Cloud courses of yours take more words in my resume!
- 2 Professor is very passionate about teaching and is very knowledgeable
- 3 The strengths for this course was interesting assignments and the lecture material.
- 4 Very knowledgeable prof especially since he's working in the industry right now. Assignments are well designed and effectively disseminated. The course definitely comes.

Q: What could the instructor do to make this course better?

- 1 Spend more time on class
- 2 Need TA for this course. Also If the students have a major amount of doubts, the instructor could have taken the doubts after class.
- 3 Not having a TA was challenging.
A lot of times students just cannot type their whole query in a teams/canvas message. Some kind of interaction and screen sharing is required to resolve doubts.
If there is no TA when the course is next offered, please have some office hours dedicated to students.

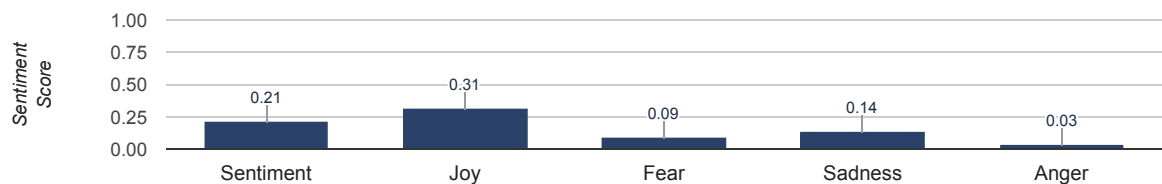

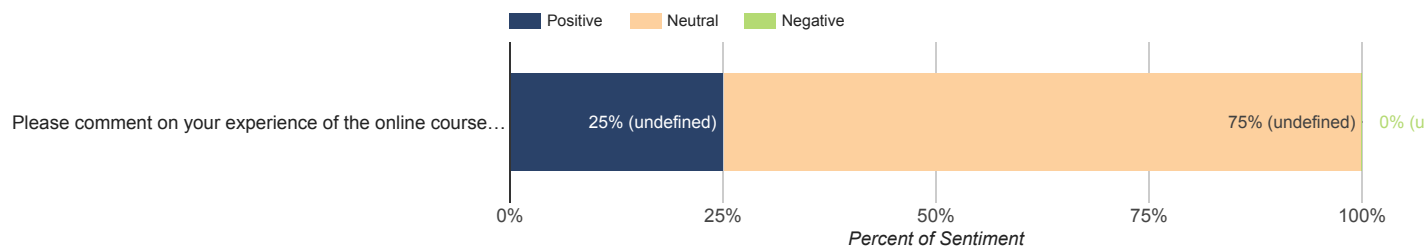

Secondly, we were supposed to learn more about hybrid cloud but through the course, it became more of a system design course.
All In all, I learned a lot of new things.
- 4 Hiring a TA.
- 5 Ask the college to give us credit for cloud resources. Literally every college gives at least some. It's embarrassing especially for a college like Northeastern.
- 6 A structure of the course should align with the syllabus given

Q: Please expand on the instructor's strengths and/or areas for improvement in facilitating inclusive learning.

- 1 The assignments could have been more detailed. There was a lot of confusion as to what needed to be done and since there was no TA it was difficult to understand the requirements
- 2 N/A
- 3 Good modules, canvas resources are very nicely managed and out together. Assignments tie into one another and are progressive throughout the course.

Questions to Assess Students' Online Experience (4 comments)

Q: Please comment on your experience of the online course environment in the open-ended text box.

- 1 outdated materials ★★☆☆☆
- 2 not online course ★★☆☆☆
- 3 Excellent Course simultaneously a rigorous one though also. Assignments were a challenging one but got to learn many new things. Overall I could say it was a combination of both one being a very good course and other a difficult one too. ★★★★★
- 4 N/A ★★☆☆☆
