Instructor Related Questions: Tejas Parikh (6 comments)

**Q: What were the strengths of this course and/or this instructor?**

1 course is well-prepared

2 NA

**Q: What could the instructor do to make this course better?**

1 the assignment difficulties vary from each other. And there are too many points could lose without clear explanation for some guideline. Even you complete the homework for more than 20 hours, there are some details would cause you lose points

2 Tell student what and how to do in assignment in explaining or demo

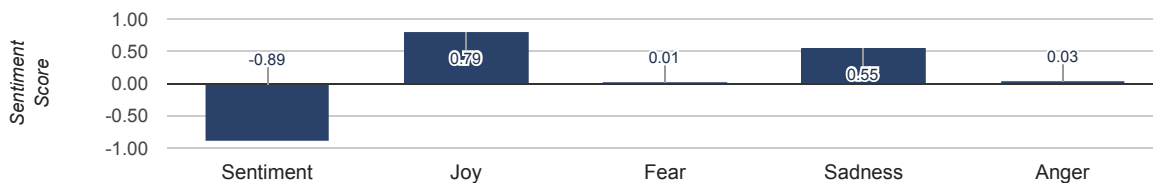

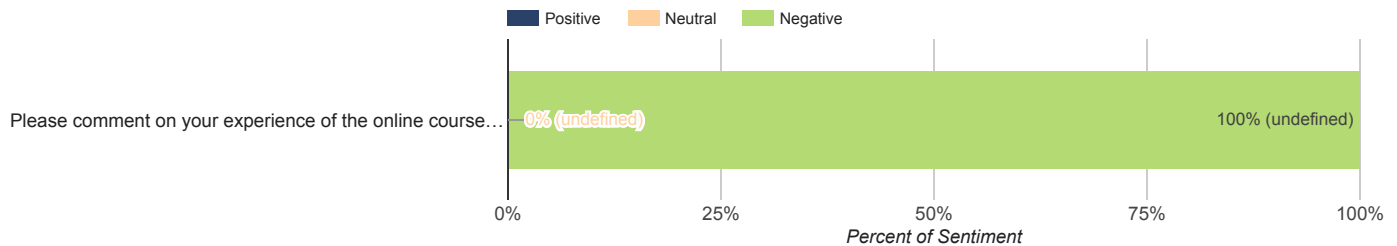

**Q: Please expand on the instructor's strengths and/or areas for improvement in facilitating inclusive learning.**

1 I hope final exam could be open-book. I choose to be a programmer cause I hate reciting books.

2 Doing theory and demonstrating code in class
